THE JOURNEY AND FUTURE OF THE REGISTRY

The Social Housing Registry of Ottawa ("The Registry") is a non-profit organization that maintains the central waiting list for people applying for rent-geared-to-income (RGI), below-market-rent (BMR) and supportive housing. With a successful 22 year track record, The Registry is now looking to hire a new Executive Director.

The Registry is the only independent non-profit in this sector with its own Board of Directors. We also have an energetic and diverse staff of 13 employees who make things happen at the Registry and who enjoy good compensation and benefits.

With a new strategic plan in place, a supportive and knowledgeable Board, a staff group dedicated to our mission, and a new decade ahead, the Registry is well placed to build on its success and reputation and move to the next phase of its evolution. If this sounds like your next career move, let us know!

The new Executive Director will lead the Registry into the future. Reporting to the President of the Board of Directors, and working closely with the Board and with a dedicated staff team, the ED role provides strategic leadership direction with overall responsibility for the efficient operations of The Registry.
