Dear Minister,

On behalf of the members of the Canadian Housing and Renewal Association (CHRA), I want to congratulate you on your appointment as Minister of Housing, Infrastructure and Communities. Your assignment reflects your commitment to building a stronger, more inclusive Canada, and the importance of all Canadians having a place to call home.

As Canada's new Minister of Housing, Infrastructure and Communities, Canadians are looking for your leadership in addressing a worsening housing crisis. CHRA and our members are ready to work with you on a "Team Canada" approach to create an industrial strategy that unlocks housing supply, and ensures greater affordability by strengthening and renewing the National Housing Strategy.

As the national voice for Canada's community housing sector, CHRA is well-placed to support you in your new role. We would be pleased to meet with you to discuss research, policy recommendations, and opportunities to work together in pursuit of our shared goals.

Congratulations once again on your appointment as Minister of Housing, Infrastructure and Communities. I am available any time at (613) 294-9840 or rsullivan@chra-achru.ca if there is anything I can do to assist you in your new role.

I am looking forward to working with you to unlock a Canada that is fair, inclusive and affordable for all.

Sincerely,

Ray Sullivan
Executive Director
